

Dear Secretaries

Can you please pass the following on to all members:

Call for Expression of Interest (EOI) to be considered for selection in the Qld teams going to the **2018 National Polocrosse Championships Perth WA, (1-7 October, 2018)**.

Given the significant commitment required to attend the 2018 Nationals as a Qld representative, Selectors are calling for initial EOI to form squads prior to formal nominations.

This is to enable players and their families' time to seriously consider their availability in October 2018.

A formal nomination, requiring first and second horse, will be called for prior to the Qld State Championships.

Selectors will be in attendance at the Qld Zone Championships, Bauhinia. EOI list closes 28 June 2017.

As notified previously, teams will be named toward the end of this year.

To lodge your EOI logon to the National Online Database, Personal Functions/Nominate for a State or National Event/ and select **EOI 2018 Nationals** (see below).
