

## **Roma Saddle – Junior Drafter For SALE**

**\$1,600 (inc GST)**

Had been chasing a second-hand version of this saddle for 12 months before finally having **Rod Bond @ Roma Saddlery** make one from scratch for me.

This is the **Junior Drafter** (\$2,400 new) that the Taylor kids had all learnt to play polocrosse in.

The saddle is only now rising 3 yrs old and is in exceptional order without any scratches/marks. Used moderately and always with utmost care, oiled regularly. Would suit child through to approx. 16yrs (dependant on individual).

Can travel it to polocrosse carnivals for anyone interested in trying it out.
