

***Vision: To Be The Leading Polocrosse Nation And Expand The Family Sport Of Polocrosse World Wide***

**Reciprocal Club Membership**

PAA Board and the NUC have worked at developing a new membership as a trail for the 2019 season. Hopefully this will allow our players to travel and play around Australia more freely.

1. Players register with their home Club and State as at January 1<sup>st</sup>, 2019 – this will be the State he/she plays state representative polocrosse. Player pays all Club and State registration and Insurance fees.
2. Player registers with a reciprocal club in another state. Pays all registration fees for club, state, and PAA \$10.00 administration fees. No further insurance fees to pay.
3. Players must fill out the reciprocal membership form from the website and submit to the NEO 5 working days prior to playing.
4. Player can only play Club polocrosse for one reciprocal club during a calendar year.
5. If their home club is playing, they must play for their home club.
6. No player can play for their reciprocal club at club or state championships, they MUST transfer.
7. The reciprocal club has the right to say no to a nomination, it must be agreed to by the reciprocal club prior.
8. The process of reciprocal membership is the same process of state transfers – MUST go via your home club first.

Kind regards,
