Information from the minutes:

- First aid subsidy was on a 1 year trial. The first aid policy will need to go to AGM for ratification. There has been a very positive response from clubs
- Recommended that all club & zone meetings be held prior to QPA AGM
- Guidelines from the PAA about state & National events. Have been sent to clubs and on PAA website
- Women's competition - Great feedback & very good for development. Toowoomba was an excellent attendance of women players. Eidsvold was much smaller but really enjoyed by all that attended. There will only be one QPA Women's carnival next year at Goondiwindi. Clubs can have women's or mixed competition if they like. Just need to put it on carnival invitation.
- Grading in 2019, All changes must come from the clubs via the zone then to State Director of Gradings
- All juniors for selection need to have a patch on their sleeve to be sewn on at start of season to identify for selectors. Trial for one year
- Cattle – Many thanks to all contributors at this time.
- Youth camp. Over 70 youth at camp. Need more under 21's involved. Excellent coaches. Catering excellent. Perhaps camp to be held pre-season so more u21 can attend.
- Coopers Challenge – Invitation to be sent to NZ
- Nationals practice. March 14/15 at Tara. 2 weeks prior to nationals. All selected players must attend. Announcement of teams, managers and coaches to be released at the same time.
- PAA All States meeting in Melbourne in October. Items such as Blue Bandage and Reciprocal players on list.
